Professional Experience

Concentrix | Bengaluru, India

Manager II - Global Creative Services, Marketing & Communications
March 2023 - October 2026

- Led creative teams and collaborated with stakeholders across the US, UK, Germany, and Japan on creative direction, design execution, and visual communications.
- Designed UI/UX for digital experiences alongside brand and marketing communications.
- Developed executive newsletters, video content, and digital campaign assets through Staffbase.
- Integrated generative AI and prompt engineering into creative workflows using Higgsfield, Midjourney, Canva, and Synthesia to produce custom imagery and video assets.
- Produced motion graphics and video post-production using Adobe After Effects, Adobe Premiere Pro, Adobe Photoshop, and Adobe Illustrator.
- Maintained global brand consistency through the CNX Creative System, design templates, and creative guidelines.

Concentrix | Bengaluru, India

Manager I - Marketing & Communications, Global Research & Analytics
May 2021 - March 2023

- Served as the dedicated creative lead for the Global Research & Analytics business unit, managing branding, marketing design, and visual communications.
- Designed event branding, executive presentations, virtual booth graphics, digital campaigns, email banners, and infographics for town halls, leadership summits, and corporate events.
- Partnered with business leaders, analytics teams, and event stakeholders to align creative deliverables with business objectives and brand standards.

Professional Experience

Pace Marketing Solutions | Bengaluru, India

Art Director
October 2020 - April 2021

- Led a creative team and directed end-to-end design projects for global technology brands, including VMware, Cisco, HP, and Lenovo.
- Developed marketing email templates, digital campaign assets, event banners, and promotional collateral aligned with enterprise brand guidelines.

Infosys | Bengaluru, India

Lead - Education, Training & Assessment
August 2014 - July 2020

- Led creative teams and delivered hands-on visual design for digital learning, training programs, and executive presentations across Education, Training & Assessment (ETA) and Learning & Development (L&D).
- Served as the sole creative resource for Infosys' enterprise-wide Design Thinking initiative, developing visual design, artwork, and learning collateral from launch through completion. Infosys later reported that the initiative had benefited 135,000+ participants.
- Led and coordinated studio production for learning videos, translating complex training concepts into visual content through design, animation, and storytelling.

Target Corporation India | Bengaluru, India

Senior Specialist - Interactive
July 2007 - August 2014

- Designed user interfaces and user experiences (UI/UX) for interactive digital content and web-based learning modules supporting corporate training and development.
- Created 2D character animations, interactive training videos, and multimedia learning content using Adobe applications, including Captivate.
